This girl fled the country with an outstanding arrest warrant. the da after she accused others. said in writing that she had no credibility, she was never 15 years, old working for me, her story made it seem like she first worked for trump at that age and was met by ghislaine maxwell. total horseshit,, the daily mail paid her money,, they admitted it, with the statement that it took money to coax out the truth.. Yes she was on my plane, and yes she had her picture taken with Andrew,, as many of my employees have. I have never misled you , this girl is a total liar, they authorities should check her austrailain immigration form, you could talk to dershowitz. I will ask if they will cooperate-Prince people
